

Certification Against the Use of Uzbekistan Cotton

Fruit of the Loom Ltd hereby certifies that it has not purchased cotton directly from Uzbekistan nor knowingly used yarn or textiles produced by vendors that source cotton from Uzbekistan, for use in the fabrication of any products made for Fruit of the Loom, including its Russell Brands, LLC and Vanity Fair Brands, LP subsidiaries.

Management is taking the necessary measures to ensure that Fruit of the Loom's position against the use of Uzbekistan cotton is respected.

Fruit of the Loom Ltd maintains records identifying the origin and source of the cotton used in the manufacturing of all Fruit of the Loom products.
